EASTCONN HEAD START

Look what families are saying about Tolland County Head Start

"I give Head Start a 10, an A+. My son is a senior now – he was in Head Start, and now my 4-year-old daughter is part of a Head Start home-based program. It helped me learn skills to be an active part in my community. I felt supported by my home visitor when she would remind me to utilize the resources available To me in the community." – S.H., Vernon

"I recommend Tolland County Head Start. It is very helpful, supportive and I feel that staff really care about their job and the children and you listen to me, your there and not too many people do that. My daughter asks everyday if you are coming." – L.N., Vernon

"The Tolland County Head Start program helps kids. It helped my child start talking, learn activities and learn more English. It is just like preschool, but at your home." – S.F., Vernon

"I think the program is phenomenal. I received so much information about events and resources in the community. I like the way Head Start involves all of the children in my family on our visits. The visits give me an opportunity to have one on one time with my daughter, which is time well spent." – A.A., Vernon

"Tolland County Head Start is great. It is amazing what the kids get to learn and do and it is a great support for parents too." – A.J., Vernon
