**March 1, 2024**

Dear CES Families,

Happy March 1st! What a roller coaster the weather has been this week: nearly 60 degrees on Wednesday then down to 20 yesterday. Spring can't come soon enough!

We are in need of volunteers to assist the school nurse with health screenings. If you are interested, please contact Lynne Fox directly at 860-429-9367, x 1213 or by email at [lfox@willingtonct.org](mailto:lfox@willingtonct.org). Mrs. Fox will provide you with a schedule of times needed for assistance with vision and hearing screenings. Thank you!

Warmest regards,

Mrs. Lisa Cushing, Principal ([lcushing@willingtonct.org](mailto:lcushing@willingtonct.org))

### **Pre-Kindergarten Screening & Application Information**

We are now accepting applications for the 2024-2025 school year. The pre-kindergarten program is designed to provide services to children with special education needs within an inclusive setting. Peer models are accepted on a limited basis. Our screening is a brief yet comprehensive assessment of a child's pre-academic skills to ensure your child is developing skills appropriately. The selection of peers is made by program staff and administrators based upon previously determined criteria and a play-based screening session. Invitations to

the play-based screening will be shared with applicants and their families in April. Eligible children must be three years of age by August 31 and cannot turn 5 before September 1st. Please return the completed application along with the Ages and Stages Questionnaire to Center Elementary School by mailing it to Stephanie Bergan or by dropping it off at the Center School office. **Applications are due by April 1st.** Applicants will be notified by the end of June if their child was accepted into the program. **Preschool screenings will be held May 6 and 7, 2024. There will be no regularly scheduled preschool on those two dates to accommodate the screening process.**

### New Kindergarten Eligibility Entry Date

Children entering kindergarten must turn 5 years old on or before September 1, 2024 to be eligible for kindergarten in the 2024-2025 school year. This is a change from the previous kindergarten cutoff date of January 1, 2025. Based on the new Connecticut legislation, if your child's 5th birthday falls on September 2, 2024 through August 31, 2025, your child will enter kindergarten in the 2025-2026 school year. If your child is eligible for kindergarten for the 2024-2025 school year, please contact the Center School office as soon as possible at 860-429-9367 or [cesregistration@willingtonct.org](mailto:cesregistration@willingtonct.org)

### Kindergarten Waiver Screenings

If a child does not meet the new cutoff date of September 1st, families may submit a waiver request in writing for early entry to kindergarten. Please submit your written waiver request by **April 26, 2024** to [cesregistration@willingtonct.org](mailto:cesregistration@willingtonct.org). Families will be notified of the appointment time for their child's screening. Waiver screenings will be held on **May 3, 2024**. Families will be informed of either acceptance or denial of their waiver request by **May 14, 2024**.

### Kindergarten Orientation and Screenings

Kindergarten screenings for new students accepted for the fall of 2024 will be held **May 13 and 14, 2024**. Kindergarten orientation will be held in the library for

🍎 This form is only for lunch. Breakfast will be served grab and go in the cafeteria when the children arrive at school. Children can grab their breakfast and head right to their classroom. 🍎

😊 PLEASE SUBMIT THIS FORM BY 12:00 p.m. ON SUNDAY 3/3. 😊

★ ★ Each child must select at least three of the five components on their tray to make a meal, including a fruit or vegetable. Children MUST select a fruit or a vegetable with their lunch every day. Without a vegetable or fruit, students will be charged the a la carte price instead of the meal price. For instance, a protein choice, a grain choice and a vegetable would make a complete meal. ★ ★

🍎 Our school district will again be encouraging students to try the new foods being offered. 🍎

★ ★ We are also asking for your help. Please explain the program to your child before they arrive at school. Every student needs to be prepared to select at least one fruit or one vegetable with their breakfast and lunch every day. We are planning our menus to include selections we know students like, as well as many different foods they may not have tried before. Please encourage your child to try these new foods. They just might find a new favorite! ★ ★
