

It's FLOCKING Time!!!!

What is this Flocking you're talking about?

Starting April 1st through May 20th, for a donation of \$20, a flock of flamingos will nest in the yard of your choosing for up to a week!

Can anyone participate?

Yes! This is a town-wide event and you don't have to be affiliated with the school to FLOCK someone! Flock your neighbors, your grandparents, cousins, aunts, uncles, best friends ...ANYONE IN TOWN!!!

How do I flock a neighbor?

8th graders and members of the Dance Committee will conduct a surprise flocking in a neighbor/friend's yard of your choosing! We do all the work, just let us know the address you want them to go! (\$20 donation)

We've been Flocked, now what?

You can have them removed for a \$10 donation (which is GREATLY appreciated!) **OR** you can pay it forward and send the flock to someone else's lawn for a \$20 donation!

For an additional \$5 you can learn who had you flocked!

**If you choose not to make a donation at this time, the students will still take them away at the end of their timeframe at no cost.*

YOUTH TENNIS LESSONS

**SPRING
SESSION
SUN. 4/7-6/2
(NO CLASS 5/26)**

**LOCATION:
E.O.SMITH
TENNIS
COURTS/CC GYM**

Quick Start Tennis (Ages 4 - 7)

In these introductory skill development sessions, tennis goals are to gradually improve hand-eye coordination, learn proper grip and stroke, and have a positive introduction to the game. Larger, lighter foam tennis balls are used during instruction and are particularly effective with children because they are easier to control and react to. Typical kids games are used to incorporate and enforce proper use of a racquet and shadowing the coach.

Activity #: 420060-A

Fee: \$37 for residents: \$47 for non-residents

Time: 9:00-9:30 am

Beginner Tennis (Ages 7 - 10)

The perfect introduction to tennis! A few changes in size and format from the younger group with practice in stroke development and modified match play. In this class participants will learn the basic strokes of tennis, making clean contact with the ball, and encourage movement on the court. Group games are played that further develop these skills. Please make sure your child has the correct sized racquet.

Activity #: 420061-A

Fee: \$56 for residents/\$66 for non-residents

Time: 9:40-10:25 am

Beginner Tennis (Ages 10 - 13)

The perfect introduction to tennis! A few changes in size and format from the younger group with practice in stroke development and modified match play. In this class participants will learn the basic strokes of tennis, making clean contact with the ball, and encourage movement on the court. Group games are played that further develop these skills. Please make sure your child has the correct sized racquet.

Activity #: 420063-A

Fee: \$56 for residents \$66 for non-residents

Time: 10:35-11:20 am

Intermediate Tennis (Ages 10 - 13)

Participants must have completed at least two seasonal sessions of tennis with the orange or red ball to participate in this level. If you child does not meet those guidelines, please register them for the Beginner Tennis program.

In this tennis program for more advanced players, there will be a different focus for each lesson (forehand, serve, consistency, angles, etc.) and play will range from drills to games and matches. The aim for the more advanced players is to have them hitting as many balls as possible and get in a good mix of drills and competitive (but friendly) games. There will be significantly more focus on instructing proper technique, grips, and strategies.
