September 22, 2023

Dear CES Families,

It had to happen eventually—summer is officially over and tomorrow is the first day of fall, also known as the autumnal equinox! Here are some upcoming events here at CES:

Curriculum Night

Curriculum Night at Center School will be held **Thursday, October 5th from 6:00 - 7:00 PM**. This is an opportunity for parents to find out more about what their children are learning every day, including literacy, math, science, social studies and unified arts (physical education, Spanish, library/media, art, and music).

****Please note: While we absolutely love and adore your children, this is a night for parents/guardians; child care will not be provided.****

CES Nature Trail

Speaking of Curriculum Night...some of our fourth graders will be presenting the recently refurbished CES nature trail. As third graders, these students made several improvements to the trail and are excited to present to the CES community on Curriculum Night. This will be a culminating presentation of their Project Based Learning project started in Fall 2022. The trail will be open at 5:40 PM and close at dusk. If you are attending, please leave time to take a quick walk before or after your visit to your child's classroom. We hope to see you out on the trail!

Abracabully

Center School is committed to creating a kind and welcoming environment to all students. October is National Bullying Prevention Month; in honor of this, Center School will welcome Michael Kirschner, who runs an anti-bullying/kindness program called Abracabully. The show focuses on the individual, the community, attitudes, respect, and empathy. He will deliver his powerful bullying story and

educate students on what to do if they are being bullied or know someone who is. Along with his message, he will perform a magic show!

The assemblies will take place **October 17th** from 9:10-11:10 AM starting with kindergarten, first, and second grade from 9:10 to 9:55. A presentation for third and fourth graders will be held from 10:00 to 10:45. In addition, Mr. Kirschner will provide a mini magic show for preschoolers at 10:55. Thank you to the Willington PTA for covering the cost of this program through enrichment funding!

Reminder from Mrs. Redding in the Library

Please return library books weekly on your library day. When you return your book(s), you get to borrow a new one! Please email aredding@willingtonct.org with any questions.

Picture Day!

We had a conflict with our previously scheduled Picture Day so it has been changed to **Monday, November 6th**. This date accommodates all student schedules and Lifetouch will be able to take class photos again!

Lost & Found

We have collected several items in Lost & Found, located in the CES cafeteria. If your child is missing something, please stop by to look through the growing collection; hopefully you'll find what you've been looking for!

See below for important dates and information on how to order school lunch.

Have a wonderful weekend!
